Ladies and Gentlemen:

Your Committee on Roads and Bridges, having had under consideration the matters hereinafter mentioned, respectfully reports and recommends as follows:

SECTION 1

Your Committee has considered the following communications from John Yonan, P.E., Superintendent, County Department of Highways, recommending for approval change in plans and extra work in the construction of certain highway improvements.

322585 COUNTY HIGHWAY DEPARTMENT, by John Yonan, P.E., Superintendent of Transportation and Highways, submitting recommendation for change in plans and extra work on Section: 00-W3701-02-FP. Ridgeland Avenue, Steger Road to Sauk Trail in the Villages of Frankfort and Richton Park in County Board District #6. New Item. \$605.20 (Addition).

A new item was added due to a revision in the traffic signals plans that necessitated upgraded electric service cable from power pole to controller.

Commissioner Moore, seconded by Commissioner Steele, moved the Approval of Communication No. 322585. The motion carried.

322586 COUNTY HIGHWAY DEPARTMENT, by John Yonan, P.E., Superintendent of Transportation and Highways, submitting recommendation for change in plans and extra work on Section: 11-B4527-03-RS. 103rd Street, Central Avenue to Cicero Avenue in the Village of Oak Lawn in County Board District #11. Final Adjustment of Quantities and a New Item. \$10,846.75 (Deduction).

The quantities as shown on the contract documents were estimated for bidding purposes only. This change represents the difference between the estimated quantities and actual final field quantities of work performed with a new item added for resealing existing transverse joints and a savings due to the elimination of the contract extra work item.

Commissioner Moore, seconded by Commissioner Steele, moved the Approval of Communication No. 322586. The motion carried.

Commissioner Murphy, seconded by Commissioner Silvestri, moved to adjourn the meeting. The motion passed and the meeting was adjourned.

Respectfully submitted,
Committee on Roads and Bridges

Deborah Sims, Chairman
